

2 $\frac{1}{2}$ class
Week of September 3

Dear Parents,

We are so excited to have met you and you're children this week. The children all seem to be adjusting quite well. We enjoyed exploring all of the different types of toys in our classroom. We all had a turn to ring our clean-up bell and help clean up.

We colored a picture on our first day of school and had a turn to paint our own masterpiece on the easel. We made a magnet for you to use to hang up our beautiful artwork that comes home.

We were introduced to the classroom calendar and met David, our weather boy. Each day a different child will get a turn to pick out appropriate clothes to help dress David for the weather. We read *Maisy Goes To School* and *Spot Goes to School*. We sang "The Wheels on the Bus" and "Old McDonald Had a Farm". We will be learning new songs each week. We also enjoyed spending time on our playground.

Shabbat Shalom and enjoy your weekend.
